## FLY CATCHER

### The World's Most Bizarre Trick Ever!

#### A Spectator's Chosen Card is Revealed in the Form of a Squashed Dead Fly!

If you like your magic to freak people out then you'll love this trick! From the creator of 'Con-fused' Zane has now come up with a truly unusual and bizarre effect. Guaranteed to give you a buzz!

Imagine the magician performing what appears to be just like any other "pick a card and I'll find it" type of trick. A card is chosen and **signed**, then returned and shuffled by the spectator. But when the magician is about to attempt to find their card he becomes irritated by a fly. Looking around for it, he spots it, cuts the deck in half and slams the two halves together, squashing the fly somewhere in the deck. He says, "*I think I got it!*" The cards are then spread face down and this is where it starts to get weird. Yes he has caught the fly which is seen now squashed onto the back of a card but when the spectators look closer they are in for a real shock because **THE SQUASHED AND MANGLED FLY'S LEGS AND BODY HAVE FORMED INTO THE SHAPE OF THEIR CHOSEN CARD!!** But as if that wasn't amazing enough, when the card is turned over, it is discovered to be **THEIR VERY OWN SIGNED CARD!!** The fly is wiped off and the card is given out as a souvenir to remember this miracle that took place!

You receive a specially created and very realistic gimmicked card in Bicycle stock (which does most of the work for you, which you use over and over again.) The comprehensive instructions which includes Zane's superb routine PLUS a large supply of duplicate cards which you can have signed and given out as a souvenir at the end!

- Easy to do!
- Instant Re-set!
- Deck, Can be Examined!
- Zane's Full Routine!

If you're looking for something different in card tricks 'FLY CATCHER' is it. It packs a one-two punch which modern audiences love and best of all it's really easy to do allowing you to concentrate on the presentation!
